9 The Committee has made a calculation of the amounts saved since 1906 on account of the Scholarships awarded being less than the rules allowed, and shown that Rupees 4680 Rs80 is available They have recommended that half of this Sum be awarded as ~~Scholar~~ additional Scholarships this year

11 The Community is apparently a small one, and such wholesale distribution of Scholarships is likely to bring into the field candidates who are neither poor nor deserving of such help We may, I think, say that till any orders are passed by Govt under rule VI, the Scholarships will be awarded only under rule II

12 I think the disposal of the surplus under rule VI may be taken up as a separate subject

13 If the Dewan however considers that some additional Scholarships may be awarded I shall be ready to reconsider my view
